How to Request a Tutor Using GConnect

The my.georgetowncollege web portal is designed to help you in your everyday experience here at Georgetown College. It is a source from which you can access much of your personal, academic, and financial information as it relates to the college. You can do any of the following and much more within the portal:

To access GConnect:
1) Log onto the portal at my.georgetowncollege.edu.
2) From your homepage, click on GConnect under "Quick Links" in order to access the GConnect system.

Password Expiration Notice
Click on the graduation cap icon on your homepage to see the classes you are taking and to locate a tutor for them.
Classes that offer tutoring will have a purple "Service" box next to the class and instructor.

Click here to schedule an appointment with your instructor.

Click on "Schedule Appointment" in the Service box to schedule an appointment with a tutor.
Any bold date on the monthly calendar should have available tutoring appointments for this specific course.

Click on the green plus sign to pick the tutoring session that is best for you. Appointment lengths range from 15 minutes to 90 minutes.

Tutoring

Peer tutoring is available for all lower level classes and many of our upper level classes as well. Professor Kim Gift acts as our Tutoring Coordinator, so you may contact her with questions or concerns.

Phone: X 7082
Email: Kimberly.Gift@georgetowncollege.edu
Hours: Determined with each peer tutor
Location: Determined with each peer tutor

If you need a tutor for a specific course and one is not available, please contact Professor Kim Gift at Kimberly_Gift@georgetowncollege.edu.
This is the screen that will appear once you select a time for tutoring. You can choose the duration of your appointment using the dropdown menu on this screen. Please enter a description of what you would like to cover during your tutoring session before clicking "Next."
The "Review" screen will tell you who your tutor will be, how you can contact your tutor (cell phone/e-mail address), and when and where you will meet with your tutor. Be sure that you click the blue button that says "Schedule" in order to finish scheduling your appointment. Once you have scheduled your appointment, it will appear on both parties' calendars.
